President of the European Parliament
PHS 11B011

Brussels, 26 April 2010

Dear President Buzek,

Following Greece's request to activate the emergency loan package as agreed by the EU, and the resulting reactions from some Member States which is causing a delay in the release of funds to Greece and considerable political turmoil, we would like to request an urgent Conference of Presidents meeting with the President of the European Council, Herman Van Rompuy and the European Commissioner for Economic and Monetary Affairs, Olli Rehn.

It is crucial that the EU addresses this issue urgently, in a coherent manner, in order to avoid dangerous consequences for the Eurozone, and in general to ensure financial stability throughout the EU.

Furthermore, we would also like to request to add Council and Commission statements on the future of the Euro to the agenda of the 5-6 May 2010 mini Plenary session.

Yours sincerely,

Rebecca Harms
